NITRRO INTRODUCTION

Prabodh Davkhare, a visionary entrepreneur with a strong passion for fitness, embarked on a mission to revolutionize the fitness industry in India. His vision led to the establishment of Nitro Sports and Fitness, which started with its first branch in Thane East. With subsequent branches in Powai, Breach Candy, and Pune, the chain has expanded to a total of five branches. Additionally, Nitro Sports and Fitness has garnered seven franchises in Mumbai and Pune, solidifying its position as a leading fitness chain in India.

Mr. Prabodh Davkhare
CHAIRMAN & MANAGING DIRECTOR

Prabodh Davkhare's relentless pursuit of excellence propelled Nitro Sports and Fitness to new heights. Recognizing the importance of international collaborations, he joined hands with Matrix, a renowned entity known for its international tie-ups in India and various parts of the world. This strategic alliance has elevated Nitro Sports and Fitness to a global platform, allowing for exchange of knowledge, cutting-edge techniques,

and international best practices in the fitness industry. With this collaboration, Nitro Sports and Fitness has expanded its reach beyond the boundaries of India. The chain has gained recognition in international locations such as Germany, Dubai, and other parts of the world. Prabodh Davkhare's vision to bring world-class fitness experiences to individuals in India has now extended to global audiences.

FIT INDIA MISSION TO PROMOTE FITNESS

Sports Minister Anurag Thakur recently met with Mr. Prabodh Davkhare, the founder and owner of Nitro, a leading fitness company in India. The meeting was held to discuss the importance of fitness and sports in the country and to explore ways to promote them further.

During the meeting, Mr. Thakur praised Nitro for its contribution to

the fitness industry and its commitment to promoting a healthy lifestyle. He also highlighted the role of fitness in achieving overall wellness and emphasized the need for more people to take up sports and fitness activities. Mr. Davkhare shared his vision for Nitro and spoke about the company's plans to expand its operations across India.

UPCOMING SALES AND GROOMING TRAINING

FOR THANE EAST AND WEST EMPLOYEES

Dear readers,

We are excited to announce that a sales and grooming training session will be held for employees located in Thane East and West on May 13th, 2023. This training session is designed to enhance the skills and knowledge of our employees, enabling them to provide exceptional customer service and improve their sales techniques.

The training will cover various topics related to sales and grooming, including communication skills, customer psychology, product knowledge, and effective sales techniques. By attending this training,

our employees will gain valuable insights and practical strategies that will help them succeed in their roles. We believe that investing in our employees' growth and development is essential for our organization's success, and we are committed to providing them with the tools and resources they need to excel in their roles.

We look forward to seeing the positive impact that this training will have on our employees' performance and customer satisfaction.

Thank you,
Nitro Fitness

NITRRO & MATRIX

WORLD WIDE GLOBAL EXPANSION

Dear members,

We are excited to announce that Matrix Fitness, the World's fastest-growing premium commercial fitness brand of Johnson Health Tech Co. Ltd., has become the Official Vendor for Nitro Fitness centres. This partnership marks our commitment to providing the best fitness equipment and experience to our Nitro members.

Johnson Health Tech has over 48 years of experience in the fitness industry, and their commitment to research and development ensures that Matrix Fitness offers the latest in technology and design to enhance the fitness experience. The company has a presence in 90+ countries and is also dedicated to give a fully

integrated fitness and wellness experience, making it an ideal partner for Nitro gym chains.

We are pleased to share that Johnson Health Tech, the first fitness company to have a wholly-owned subsidiary in India will provide Nitro gym chains with exceptional customer service, access to the latest equipment trends, timely deliveries, and customized equipment solutions.

We are thrilled about this partnership and look forward to introducing our members to the new equipment offerings. Stay tuned for updates on our partnership and new product offerings.

NITRRO & JOHNSON HEALTH TEAM UP

FOR INNOVATIVE
FITNESS SOLUTIONS

Johnson Health Tech Co. Ltd. (JHT), Taiwan, is among the world's largest and fastest-growing fitness equipment manufacturers and is home to some of the most respected brands in the fitness industry, including Matrix, Vision, and Horizon. The company manufactures a wide assortment of fitness equipment for both commercial and residential use, including treadmills, elliptical trainers, exercise bikes and strength training equipment. JHT's global management headquarters is based in Taichung, Taiwan, with global product development, marketing and engineering based in Cottage Grove, Wisconsin, USA. With over 40 years of experience in the fitness industry, Johnson Health Tech is dedicated to producing innovative and high-quality fitness equipment to help individuals achieve their fitness goals. Johnson Health Tech is the first international fitness equipment company to have wholly-owned subsidiary in India and hence allows it to have a better understanding of the Indian market, enabling them to provide equipment solutions that are tailored to the local market's specific demands.

Rajiv Wallia

Managing Director
Johnson Health Tech India Pvt. Ltd.

Johnson Health Tech's dedication to providing exceptional customer service, coupled with their innovative product line, has earned them a reputation as a leader in the fitness industry. Their presence in India and commitment to the Indian market make them an ideal partner for premium fitness centers, who seek to offer their members the best possible fitness experience.

NITRRO JOINS FORCES WITH FOCUS FITNESS PVT LTD

THE POWER OF EQUIPMENT PARTNERSHIPS

MAXIMIZING SUCCESS THROUGH
COLLABORATION

In today's fast-paced and competitive business landscape, having the right equipment can make all the difference between success and falling behind the competition. However, acquiring and maintaining cutting-edge equipment can be a significant challenge for many companies. This is where equipment partnerships come into play, enabling businesses to access the latest tools and technologies without the burdensome costs of ownership. In this article, we explore the benefits of equipment partnerships and how they can drive success across different industries.

Equipment partnerships provide businesses with the opportunity to access state-of-the-art equipment and technologies that they may not have been able to afford or maintain on their own.

Dear Esteem Readers,
We are excited to bring you the latest news and update from Precor, a leading manufacturer of premium fitness equipment for commercial use. With over 40 years of experience in the fitness industry, Precor has established itself as a trusted name in the industry, known for its innovative designs, cutting-edge technology, and exceptional quality. One of Precor's most significant achievements is inventing the world-famous Elliptical Fitness.

Cross trainer (EFX) and the most versatile cardio equipment - Adaptive Motion Trainer (AMT).

NEW EQUIPMENT

AT NITRRO BESPOKE FITNESS

Celebrate Eid with a special gift for our valued members at Nitro Bespoke Fitness! We are thrilled to announce the addition of exciting new equipment to enhance your fitness experience. Discover a range of cutting-edge tools designed to take your workouts to the next level.

We are excited to present these new additions as our Eid gift to you, our esteemed members. Embrace the opportunity to explore these top-of-the-line fitness equipment options, which are carefully curated to elevate your fitness journey and help you reach new heights of health and wellness.

Providing fitness equipment as Ramadan Eid gifts for your members at Nitro Bespoke Fitness is a thoughtful and generous gesture.

Plyo jumping boxes are sturdy platforms used for plyometric exercises to improve power and agility. Steppers, also known as step platforms, are great for cardiovascular workouts and lower body strengthening. Leg press machines target the muscles of the lower body, particularly the quadriceps, hamstrings, and glutes. Dumbbells offer a wide range of exercises for strength training and can be used to target various muscle groups.

These equipment choices can help your members enhance their workouts and achieve their fitness goals. For specific details on the equipment and any related terms and conditions of the Eid gift promotion, it's best to contact Nitro Bespoke Fitness directly. They will be able to provide you with accurate information about the equipment and how it will be gifted to your members.

Nitro Bespoke Fitness seems to be

committed to providing its members with the latest and highly rated fitness equipment from the USA. Having access to top-quality equipment can greatly enhance the exercise experience and help individuals achieve their fitness goals more effectively.

With the new equipment in place, members will likely have a wider range of exercise options available to them. This can include cardio machines like treadmills, ellipticals, or stationary bikes, as well as strength training equipment such as weight machines, free weights, and resistance training tools.

In addition to the equipment, it's also beneficial that Nitro Bespoke Fitness provides classes with trainers. Working with qualified trainers can offer various advantages, including personalized guidance, proper form correction, motivation, and accountability. Trainers can help members make the most of the new equipment and ensure they are using it correctly and safely. By combining the latest equipment with expert guidance from trainers, Nitro Bespoke Fitness is likely creating an environment that fosters effective and enjoyable workouts.

FIT AND IMMUNE THE ULTIMATE SHIELD

In today's challenging world, being fit and having a strong immune system is more important than ever. A fit and healthy body not only helps you to fight against diseases but also helps you to cope with stress and mental health issues. Regular exercise and a healthy diet can boost your immune system, which is essential for preventing illnesses and infections. Being fit and immune also helps to increase productivity and overall well-being. In a world where pandemics and health crises are becoming increasingly common, being fit and immune can provide an extra layer of protection against various diseases and health issues.

In conclusion, staying fit and maintaining a strong immune system is essential in today's challenging world. Regular exercise, a balanced diet, and getting enough sleep are all important factors that contribute to overall health and wellness. With a healthy body and strong immune system, people can better cope with the stresses of life, stay healthy, and protect themselves against various diseases and infections.

change. Our ability to adapt quickly ensures that you're able to accommodate the ever changing exerciser's needs.

In 1968, Life Fitness created the Lifecycle exercise bike. It employed ground breaking technology and was the first piece of electronic exercise equipment ever created. Over the next four decades, we've taken the steps needed to stay ahead of technology.

We look for world-class suppliers to support the successful delivery of the wimbledon championships. life fitness was able to provide us with quality fitness equipment and a seamless solution, and the support we've received has been fantastic.- andrew ambrose, gm - all england lawn tennis club
